Our planned activity for the Day of Languages is:

2. The planned activity for the Day of Languages 26.09.2024 is:

- ➔ Write the agreed sentence in English and all partners translate it to all spoken languages in participant schools and partners institutions/ associations.
- ➔ The activity will serve to implement plurilingualism, minority languages and language learning.
- ➔ The 26th of September at 12 o'clock, the schools and other partners will do an online meeting, and all students, one by one, read the paragraph. Each school will record a video and later they will upload it to the project's web.
